

Overview

The research grant program is intended to support the undertaking of research projects and creative activities performed by undergraduates at Westminster College. This includes, but is not limited to, the purchase of supplies and equipment, travel to research sites, libraries, data sources or training and acquiring data sets or software. These funds may not be used for stipends or compensation of any type. Any equipment or supplies purchased for the project remain the property of the College.

Eligibility and Conditions

- The student must be currently enrolled as a degree-seeking student at Westminster College at the time of the grant application and be in good academic standing.
- Projects must be conducted under the mentorship of Westminster College faculty.
- To receive research funding, a completed Research Grant Application must be submitted and approved prior to any expenditures.
- Award recipients are required to participate in the Undergraduate Research & Arts Celebration in the academic year of their grant, even if they intend to graduate in December. Students who fail to participate in the celebration will be responsible for paying back their grant to the college in full.
